The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 19-21 are rejected under 35 U.S.C. §112, 2nd paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

4. In particular, it is unclear if the "cumulative demand value" associated with the "second planning horizon" is the same or different from the "cumulative demand value" which was previously recited and associated with the "first planning horizon."

Allowable Subject Matter

5. Claims 19-21 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. §112, 2nd paragraph, set forth in this Office action.
